Community Donations Request Form

Valley Natural Foods is a community-owned cooperative. Our mission is a healthy community. Our values are FRESH. In alignment with our mission and values, our Community Outreach Program focuses on Family, Relationships, Education, Sustainability and Health. We continue to grow our Community Outreach Program each year in an effort to strengthen our mission.

Thank you for including Valley Natural Foods in your planned event or fundraiser. We can offer support through product donations, gift baskets, gift certificates or advertising. Organizations or events must serve our south metro area (Burnsville, Apple Valley, Lakeville, Rosemount, Eagan, Bloomington, Savage) and reflect our mission and values.

Priority is given to our member-owners and staff. Please submit requests at least 4-6 weeks in advance. All requests are reviewed by our Community Action Committee on the 4th Tuesday of every month. **Third-party requests will not be considered. Late requests will not be considered.**
