# REGISTER ROUND-UP

JULY 2021

THIS MONTH'S ROUND-UP PROCEEDS WILL BENEFIT:

**360 Communities.**

Help in the moment. Hope for the future.

**LEWIS HOUSE SHELTERS**

360 Communities operates two Lewis House Shelters that provide emergency housing and assistance to individuals and families escaping from domestic or sexual violence. At the Lewis House, trained advocates offer emotional support, safety planning, referrals to community resources and help in navigating the court system. The first Lewis House opened in 1979, and since then they have grown to two locations: One in Eagan and one in Hastings. Both provide victims of domestic and sexual violence safe housing as they recover and build a successful and safe future.
