BECOME A MEMBER-OWNER

A co-op is a special kind of business. Co-ops
are owned and governed by the people who
shop at the store. When you belong to Valley
Natural Foods Co-op, you're a part of a
community—one that promotes local farmers
and small producers right here in Minnesota.

Your member-ownership is an investment
that supports not only Valley Natural Foods,
but also the local economy through ethical
purchasing and living-wage jobs.
